

News from the Principal's Desk

serve one another

Wednesday, 31 January 2024

Dear Parents and Carers,

Welcome to the 2024 school year and to those families new to our school, we extend a warm welcome to you and hope your time at Manning Primary School is both rewarding and enjoyable. This morning was a joy as we opened the gates to a sea of happy, enthusiastic students ready to embark on their new school year. Families navigated the new school room numbers and layout exceptionally well and we are confident that this will become second nature to us all shortly.

Throughout the holidays, our school has been a hive of activity with staff busily preparing their rooms and learning programs for the year ahead. Our school grounds have also received further upgrades with classrooms along the senior veranda being re-painted and new carpet installed. Thanks to the generous support of the Manning Primary P&C and parent community, we also installed three new refrigerated water-bottle refill stations.

Edu-Dance - Important Information

As communicated in an email late last year, we are pleased to have secured the highly coveted Edu-Dance program for all students in Pre-primary to Year 6 this term. Lessons will take place on either Tuesday or Thursday depending on your child's room number, with the program concluding with a concert in the final week of the term, Monday 25 March & Thursday 28 March 2024, both at 2:00pm. I would like to remind families that the Thursday performance falls just before Good Friday and the Easter long weekend. Students will be assigned to perform in one of the two concerts, and details regarding which classes will be performing on each day will be shared with you shortly.

The cost for Edu-Dance is \$36.00 per student. As lessons commence in Week 2, we would greatly appreciate prompt payment directly to the school bank account. Please use your child's name and room number as the payment reference.
