### ***MEDIA CONSENT***

Children's images are occasionally used in whole-school publications such as Annual Reports, School Plans and other promotional material.

- Yes, I give consent to my child to have their image used as described above.
- No, I do not give consent.

### ***VIEWING CONSENT***

As part of their classroom program, students may listen, view, and discuss texts such as films, documentaries, episodes on streaming services or DVDs. Most texts used in classrooms have a G rating and contain content of very mild impact. On occasions, a text with a PG classification is felt to be appropriate for the learning program in the upper years. Texts that have a PG classification, will only be used if deemed suitable by the teacher and school administration.

- Yes, I consent to my child working with texts that have a PG classification.
- No, I do not give consent.

### ***LOCAL EXCURSIONS***

On occasion, students use the oval adjacent to the school, James Miller Reserve, for activities or visit the Manning Library, which is located within the Manning Hub. At all times, students walk to these venues and are accompanied by a teacher. For all other extra-curricular activities in which students leave the school grounds, parent permission will be required.

- Yes, I consent to my child participating in activities at James Miller Reserve and the Manning Library.
- No, I do not give consent.

This permission will remain in place for as long as your child is enrolled at Manning Primary School. If you wish to review, modify, or withdraw this consent at any time you can contact the school on 9266 6250.
